CERTIFICATE OF APPRECIATION

Peter Olivere

April 3, 2009

Our honoree has been an active member in the community since 1980 serving in various offices in the Glencarlyn Citizens' Association, the schools' PTAs, the Wakefield Booster Club, and as a delegate to the NCAC. He has also been a delegate or alternate to the Arlington County Civic Federation for a good part of the past 25 years. As an active delegate to the Federation, he has served on the Executive Committee, chaired the Revenue and Expenditures Committee and served as a member of several other committees. He is currently serving as President of the Glencarlyn Citizens Association.

He and his wife Barbara have been residents of Arlington since 1978. He is semi-retired from the Federal government after 31 years at the Department of Commerce working budget and financial management issues.

While his community involvement is extensive, today we are recognizing him for his invaluable Information Technology assistance and support. For almost 20 years, Peter has been involved in converting and upgrading the Federation's database, through three software packages, as well as providing the documentation, training, and support to those using the system. The database includes information on organizations and members, which is used for membership rosters, mailing labels, email lists, and billings. When we had an unexpected change in the membership chair position last summer, there was a need to quickly redo the database on different software so it would run on a newer PC. Peter quickly responded to our call for help and put together a very user friendly application which has allowed the Federation to continue to maintain its data.

This gentleman is a consummate professional, a one-man "Geek Squad," and a Godsend to our organization. And yes, the new membership chair does believe he can walk on water!

It is with great pleasure that we present this Certificate of Appreciation to Peter Olivere.
