COMMENTARY

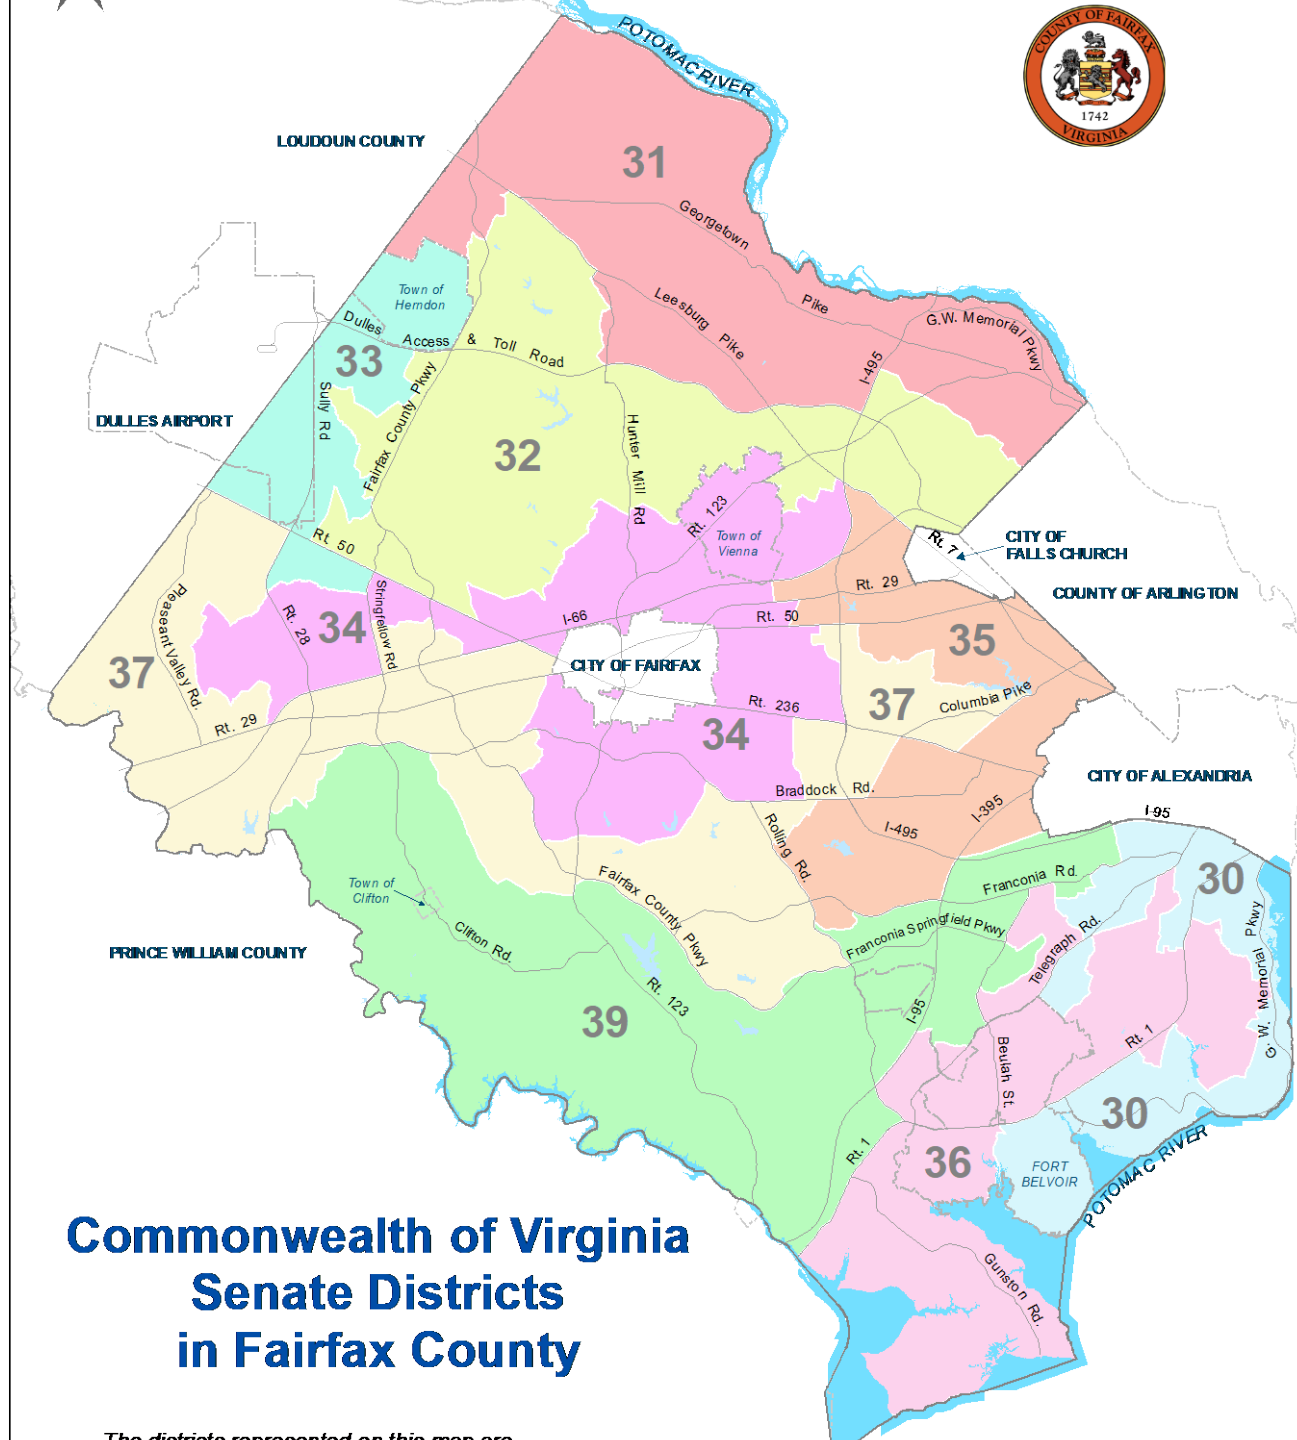

The GOP Targets State Legislatures

He who controls redistricting can control Congress.

By Karl Rove

Updated March 4, 2010 5:01 a.m. ET

The political world is fixated on whether this year's elections will deliver an epic rebuke of President Barack Obama and his party. If that happens, it could end up costing Democrats congressional seats for a decade to come.

Commonwealth of Virginia Senate Districts in Fairfax County

The districts represented on this map are
