## **Working Group for Neighborhood Insurance**

Many delegates and organizations have been concerned about the County requirement to procure insurance for neighborhood and community events. Paul Svercl will lead a working group to investigate possible options for the Federation to provide private insurance to its member organizations. The working group will

provide a recommendation, but no action will be taken until the Executive Committee and Federation has had an opportunity to consider said recommendation. If you are interested in participating in the working group, please contact Paul at [pvsvercl@yahoo.com](mailto:pvsvercl@yahoo.com).

## **Rep Needed for Traffic Calming Committee**

The Federation is looking for a representative to serve on the County's Traffic Calming Committee meets on the first Wednesday of the month at 7:30pm. If you are interested in serving in this capacity, or have a name to suggest, please contact James Schroll at [james@civfed.org](mailto:james@civfed.org).

## **Work on New Website**

The Federation has begun updating the Federation's website. This will be a long process and we would like your input. If you would like to participate in the discussion or would like to volunteer your time with this effort, please contact James Schroll at [james@civfed.org](mailto:james@civfed.org). Additionally, if you would like to suggest websites that you feel work well, please send those ideas to James.

## **Meeting Program**

### **Superintendent Patrick Murphy**

Dr. Patrick Murphy, the Superintendent of Arlington County Public Schools, will be our guest at the December 4 general meeting of the Federation. Dr. Murphy will give a 15 minute presentation and then answer questions from member delegates. This will be an hour-long program.

### **Awards Committee**

Pursuant to subsection (ii) of Section 7 of Article VII of the Federation's bylaws, the Federation shall elect five delegates to serve as the Awards Committee. It shall be the duty of this committee to seek and make recommendations for persons, committees, or members to receive the Sun Gazette Cup and Certificates of Appreciation. Election shall be by ballot from nominations from the floor and a plurality shall

elect. Should there be only five nominees, voting may be by voice.

## **Unfinished Business**

### **A Motion For The Arlington County Civic Federation (ACCF) Resolution Regarding Proposed Revisions to Chapter 15 of the Arlington County Code ("Noise Ordinance")**

WHEREAS in April 2009, a Virginia Supreme Court decision voided the portions of Arlington's noise ordinance that used the "reasonable person" standard to define a noise disturbance; and

WHEREAS since April 2009, the ACCF Planning & Zoning Committee has provided suggested changes and tracked the progress of the revisions; and

WHEREAS County staff's proposed revisions to the noise ordinance were made public on 10/17/12 via a Request to Advertise (RTA) and placed on the consent agenda for the 10/20/12 County Board meeting; and

WHEREAS ACCF President James Schroll successfully requested deferral of the RTA in a letter to the County Board on 10/22/12 and in public testimony on 10/23/12; and

WHEREAS since the release of staff's proposed revisions, members of the ACCF Planning & Zoning Committee have carefully reviewed those revisions; submitted written comments and questions to staff on 10/31/12, to which staff responded in writing on 11/7; met with staff to review issues on 11/7/12; and on 11/12/12 prepared a report that documents changes that should be considered; and

WHEREAS the schedule for adoption of the revisions provides for two public meetings (11/13/12 and 11/14/12), County Board advertisement in December, and County Board action in January; and

WHEREAS the above referenced documents are on the ACCF Website.

#### **THEREFORE BE IT RESOLVED:**

That the advertisement of the proposed changes to the noise ordinance should include within

its scope the changes recommended in "Noise Ordinance Revisions\_11-12-2012" document posted on the Civic Federation's website, so that the public can discuss and debate their merits;

That in presenting the noise ordinance to the public and the Board, staff should clearly enumerate and justify the major policy changes proposed within the advertisement including the fundamental change to the definition of "noise disturbance" and the elimination of standards based on the zoning category of the noise-receiving site;

That County should clearly notify the public what the enforcement plan is for the revised ordinance including, specifically, that Police Officers will not be equipped or trained to use noise meters, and that Code Enforcement Inspectors will not respond to new calls during nights and weekends (and the implication of this for the use of decibel levels for nighttime enforcement); and

That upon advertisement, the County Board should allow ample time for a public process that will allow sufficient discussion and resolution of these important and complex issues.
