Special Considerations

- Pentagon
- Highway, Rail, Metro
- High-rise buildings: Affect response times; Resource intensive
- •Population density: Arlington comparable to Los Angeles & Baltimore; Approximately 8100/square mile
- Region: High degree of cooperation, interoperability, mutual reliance
- Recruitment/retention: An on-going challenge in this very competitive regional hiring environment
- •Succession planning: High-level attrition, loss of experience anticipated
- A flexible, responsive approach to community involvement

Looming Issues

A few of the significant issues facing our department this year:

- •Strategic Advisory Team (SAT) Organizational development
- Construction of new Fire Station #3
- Construction of new Logistics facilities
- •Succession planning for anticipated senior-level attrition in 2012
