

# **Arlington County Civic Federation**

**Arlington, Virginia**

**92<sup>nd</sup> Year**

**Civic Voice of Arlington**

## **CERTIFICATE OF APPRECIATION**

**MILEVA HARTMAN**

**March, 28, 2008**

Our honoree this evening is a retired Navy Captain who came to Arlington with active duty orders to report to the Pentagon. That was almost twenty-five years ago. Did she wait until she retired before becoming active in Arlington neighborhood and civic life? Absolutely not!

Almost immediately, this young lady became a member of the Lyon Village Citizens Association, a member of the League of Women Voters, a volunteer in the Arlington County Registrar's Office and a volunteer for Meals on Wheels.

She is a dual delegate to the Arlington County Civic Federation where she represents both the Lyon Village Citizens Association and the League of Women Voters. Currently, she is Vice President of the League of Women Voters.

Over the years, she has served the Federation in several ways. For three years, she served on the Executive Committee; for another three years she served on the Schools Committee and for ten years, she served on the Legislative Committee. She has also served on the Banquet Committee, the Awards Committee and the Cultural Affairs Committee. At present, she is the Federation representative on the Arlington County Neighborhood Traffic Calming Committee.

Now, twenty-five years later, she is a retired Navy Captain who recently retired from Federal Service as a Policy Analyst for the National Science Foundation, a position to and from which she often walked. However, she has not retired from neighborhood and civic life.

Ladies and Gentlemen, it is with great pleasure that we present this Certificate of Appreciation to Mileva Hartman.

Lawrence R. Mayer  
President

Jacqueline Snelling  
Chairman, Executive Committee
