**CERTIFICATE OF APPRECIATION**

**MARTHA MOORE**

**March, 28, 2008**

There are times when someone thinks, "That is not enough. There is more to be investigated, more to be delved into, more to be done." This recipient has such a tenacious curiosity bump.

You know her because of some of the things that she has done and because of the awards she has already received. She has served on several PTA committees and has been a PTA President. She has served on several school site selection committees and has been a member of the Arlington Schools Telecommunications Advisory Committee. She has been a member of such committees as the Arlington County Fiscal Affairs Advisory Committee and the Committee on y2k Preparedness. She has been President of the Lyon Village Citizens Association and, for many years, has been a delegate to the Arlington County Civic Federation from Lyon Village. She is Co-Chair of the Federation's Planning and Zoning Committee. Her accomplishments are myriad.

This evening, however, we honor her for two of her most recent endeavors: the work that she did in order to clarify and define lot definitions and the work that she is still doing in order to help us understand all that is encompassed by the words: accessory dwelling units.

She continues to be one of the best resources in Arlington County on the County's zoning rules and ordinances for single family homes. In fact, she may be the best.

Ladies and Gentlemen, it is with great pleasure that we present this Certificate of Appreciation to Martha Moore.

Lawrence R. Mayer  
President

Jacqueline Snelling  
Chairman, Executive Committee
