CERTIFICATE OF APPRECIATION

Scott McCaffrey

April 3, 2009

Our honoree is a native of Northern Virginia, and has been active a member of the Arlington Chamber of Commerce, where he has been a director and vice-chairman for economic development and governmental affairs. He has had leadership roles in the United Way of the National Capital Area, the Arlington Branch of the American Red Cross and other community organizations.

He is managing editor of the Sun Gazette newspaper chain, which provides news coverage for Arlington and much of Northern Virginia. He has been with the newspaper since 1993, with the exception of two years with the Myrtle Beach Sun News.

To say that he is involved in covering Arlington, the political side, the civic side and the features side, is an understatement since we rely on him as an independent source of news in the County. Scott says the advent of Websites allows us to transmit the news of Arlington to a large audience that isn't limited to the boundaries of the county, which is another plus.

We all recognize him for his sponsorship of the Sun Gazette Cup. Recently he has been the lone author of the majority of articles in the weekly edition of the Sun Gazette. Indeed, his presence, even in the back row of a meeting in the County, is one of the leading indicators that something of special interest is like to occur.

Scott says he is glad to be an Arlington resident and we are equally glad to claim him as one of ours. If we had to choose between Woodward, Bernstein, and McCaffrey, our choice would be Scott for his unrelenting search of a story, his forthright opinions and his accuracy in reporting. To show our appreciation for what he means to this County, the Civic Federation gives him a strong "THUMBS UP".

It is with great pleasure that we present this Certificate of Appreciation to Scott McCaffrey.
