

*Arlington County Civic Federation  
Arlington, Virginia  
94<sup>th</sup> Year  
The Civic Voice of Arlington*

**Sharon Rogers  
Secretary and Webmaster**

**April 16, 2010**

Sharon Rogers has been a member delegate of the Federation for seven years. Currently, she is the president of the Woodmont civic association and their Webmaster as well.

Sharon has represented her civic association as a member of the Cherrydale Fire Station Relocation Task Force. She participated in the Professional Development and School Based Staff Task Group. And long ago, she was a member of the Advisory Committee for the Restoration of the Central Library.

There's an old saying, "If you want to get something done, ask a busy person to do it."

Sharon holds down not one but two Civic Federation functions: Secretary and Webmaster. As Secretary her notes are impeccable and always delivered on time. As Webmaster she posts to the Civic Federation Web site daily, keeping us all informed of the flow of the Federation's business. Her consistency as Webmaster is the key to a reliably up-to-date and useful site.

The Arlington County Civic Federation presents this Certificate of Appreciation to Sharon Rogers for her hard work and dedication to ensuring our communications are accurate, timely, and effective.
