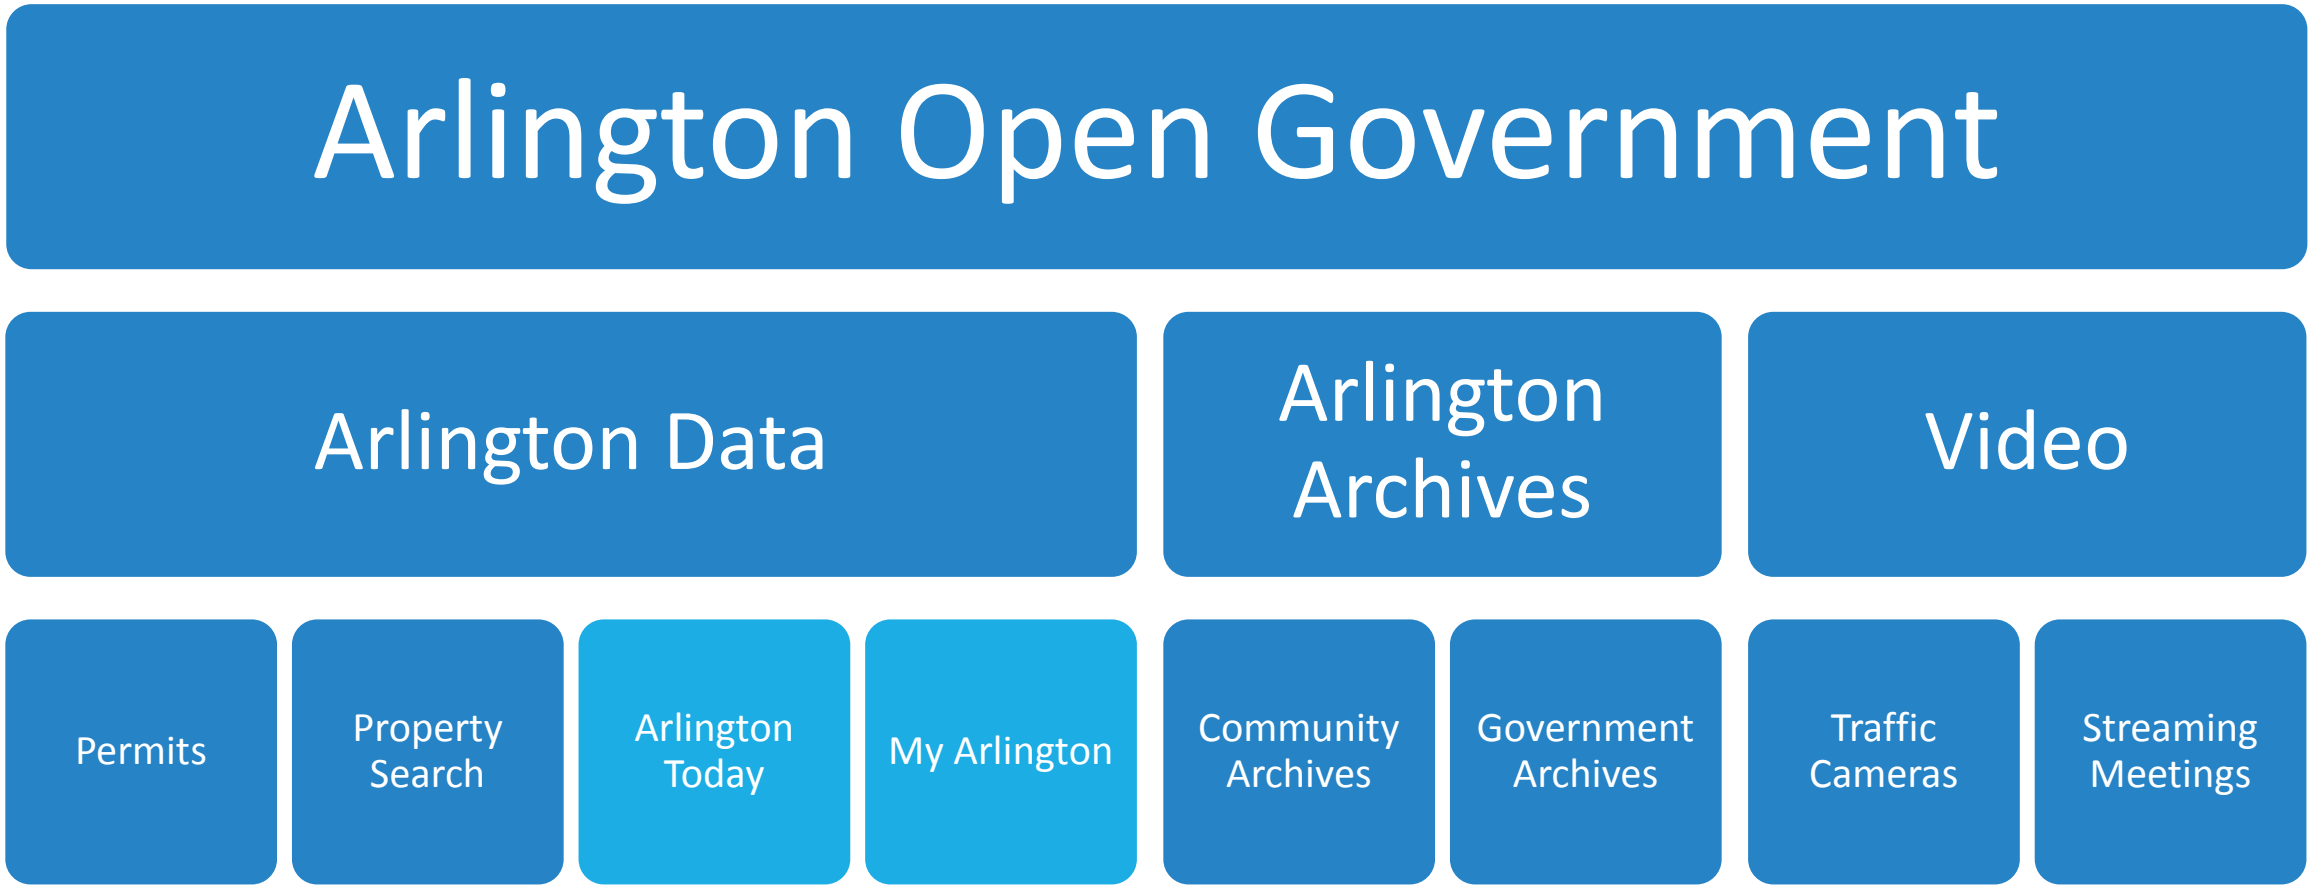
Arlington County Government

DEFINING A DIGITAL ARLINGTON

Arlington Open Government



Arlington's Open Data Initiatives

- **Open Data Portal** – https://datahub.arlingtonva.us/
  - Initiated to support web applications; datasets are continually growing (Real Estate, Permits, Service Requests, Events, etc.)
  - New site with enhanced functionality and additional datasets available in January 2016

- **New Arlington Apps –** Inform individuals about County occurrences and provide opportunities for engagement
  - **Arlington Today** – Web app live November 2015 https://today.arlingtonva.us/
  - **My Arlington** – Mobile app available in app store in January 2016
