

APPROVED by MEMBERSHIP ASSENT

**5 MAR 2019:
1 'NAY' ONLY**

**Old Glebe Civic Association
Approved Boundary Change**

The Old Glebe Civic Association (OGCA) is requesting to expand its current boundaries, to incorporate several streets just south of OGCA's current boundary that are not part of any civic association. The three areas proposed to be annexed are as follows:

- (1) Both sides of N. Abingdon St. between 36th Street N. and Glebe Rd. (13 households);
- (2) Both sides of Dittmar Rd. between 36th Street N. and Glebe Rd. (24 households); and
- (3) Both sides of N. Vermont St. between Dittmar Rd. and 35th Street, as well as the two cul-de-sacs that run off of this block (36th Street N. and 35th Road N.) (26 households).

The current southern border of OGCA, beginning at Glebe Road, runs east along both sides of 36th Street N until it reaches Dittmar Rd., and thence runs east along both sides of Dittmar Rd. (and includes all of the cul-de-sacs that run south off of Dittmar Road). Under the proposed changes, the southern border of OGCA, beginning at Glebe Road, would run east along the entire length of Dittmar Road, except that it would dip south at N. Vermont St. to incorporate N. Vermont St. and its two cul-de sacs. The proposed changes are highlighted on the accompanying map.

The proposed boundary changes would incorporate street that are not currently part of any civic association and that logically fit into the OGCA neighborhood. For example, five of the six blocks of Dittmar Road are currently within OGCA; the proposed change would bring all of Dittmar Road within OGCA boundaries.

OGCA members canvassed the neighborhoods affected by the proposed expansion. A majority of the residents of those neighborhoods signed petitions expression approval of their incorporation into OGCA. No residents expressed opposition. The only civic association that abuts OGCA to the south is the Gulf Branch Civic Association (GBCA). Areas within the GBCA include 35th Street N. where it insects with N. Vermont St.—an area directly adjacent to a block that OGCA proposes to incorporate. OGCA has informed residents of GBCA of its proposed expansion and is unaware of any opposition to its plan.

Vote on Old Glebe's boundary change request: At the March 2019 Membership Meeting a motion to approve Old Glebe's boundary change request was made, seconded and approved by a two-thirds margin given that there was only one vote in opposition.

Arlington County Civic Federation

Hon. Matt de Ferranti, Member, Arlington County Board

Re: Boundary Change for Old Glebe Civic Association

Esteemed members of the County Board,

On March 5, 2019, the Arlington Civic Federation approved by over a 2/3 vote a boundary change requested by Old Glebe Civic Association.

I am enclosing a description of the change that includes detail on the streets that are affected, plus a map highlighting the new areas.

Our understanding is that the County looks to the Civic Federation concerning boundaries and names of civic associations. Given the vote of approval for the boundary change, we hereby request that the County maps, and other data bases reflect the new boundaries of Old Glebe Civic Association.

Respectfully yours,

Duke Banks, President,
Arlington County Civic Federation

cc: Kendra Jacobs, County Clerk
Rich Samp, President, Old Glebe Civic Association
