The [recommendations](#) from the previous Phase II of the Collaborative can be viewed at the ACCF website. The March 2021 ACCF General Membership “Resolution on Immediately Updating the Arlington Tree Canopy Studies” can be found at [this location](#). For a quick overview of ACCF's work on Arlington's tree canopy view this [presentation](#).

In keeping with the Covid protocols from the Virginia Department of Health Guidance we encourage you to:

- Get vaccinated and get a booster dose.
- Bring and wear your own mask (extra masks will be available)
- Wear a mask if not fully vaccinated, and even if fully vaccinated when transmission levels are substantial or high.
- Please stay home if you have symptoms of COVID-19, if you recently had COVID-19, or were exposed to COVID-19.
- Wash your hands before eating food.

We will take the following measures to help provide a safer environment for you:

- The scheduled space's HVAC system has been upgraded to provide improved ventilation to address Covid.
- Activities that require close contact will be minimized.
- Provide hand sanitizer.
- Use single-use cups, dishes, utensils, and paper products.
- Individually wrapped food and beverages.
