

Intent is that this motion will be heard by Civic Federation member delegates at the March 6, 2012 Civic Federation meeting.

**Motion To Amend The Boundary of the Arlington Ridge Civic Association
Introduced at the Arlington County Civic Federation Meeting
February 7, 2012**

Arlington Ridge Civic Association (ARCA) requests a modification to its boundary to include the Forest Hills Community Association (FHCA).

FHCA is currently shown as a standalone association. For at least the last five years, residents of FHCA have participated with ARCA on development initiatives and other projects. The ARCA bi-monthly newsletter is distributed to all 130 townhomes and these residents were also included in the 2010 ARCA Neighborhood Conservation Plan survey. On 26 Jan 2012 ARCA received confirmation from FHCA President that they would like to be included in ARCA (Attachment 1).

Accordingly, the Executive Board of ARCA, in concert with the FHCA, moves that the boundary of ARCA be amended to include the property currently encompassed by Forest Hill Community Association (Figure 1). Figure 2 reflects the modified ARCA boundary.

Sub: Forest Hills Community Association

Dear Kit:

It is my understanding that the Arlington Ridge Civic Association (ARCA) is in the process of working to adjust its official Arlington County Civic Federation (ACCF) boundary map to reflect the boundaries used in last year's Neighborhood Conservation Survey and include the Forest Hills Community Association (FHCA).

As President of the FHCA, I endorse and welcome inclusion of FHCA into the ARCA boundaries. Our community has high regard for ARCA and many already participate.

Should you desire any additional information, please do not hesitate to contact me.

Best! Elaine
